

STELLA ONLINE SCIENCE FAIR 2021

Dear Parents/Students,

Assalamu Alaikum.

Array Global and Epicenter Education are excited to host the 2021 Online Stella Science Fair. **AIS has been invited to take part in the competition.** The Fair provides institutions and students opportunities to compete and build relationships around the globe, while proving students' academic achievements. **The science fair is conducted online to ensure all students can participate and show their skills, hard work, and talents.**

Grade Groups:	Teacher-in-Change
KG-Grade 3	Ms. Shabana Potrick / Ms. Glorry Tabassum
Grades 4-Grade 6	Ms. Farah Javed / Ms. Syeda Mahpara
Grades 7-Grade 9	Ms. Syeda Yasmin / Mr. Ehsan UllahBathi/Ms Kauser
Grades 10-Grade 11	Ms. Asifa Syed / Ms. Shabana Mohammed

Dates: Deadline for science fair project entries: **April 27, 2021**

Awards:

1. All students will receive participation certificates via email.
2. Top three projects from each grade group will receive award certificates.
3. The top science project from each grade group will receive a cash prize of **\$50**.
4. The top science project overall will win the grand prize of **\$100**.
5. The institution with the most students participating will receive a free mini workshop on STEM instruction by Epicenter Education.
6. **Winners of the 2021 Stella Science Fair will be announced on April 29, 2021.**

PROJECT VIDEO INSTRUCTIONS:

- 1.) Record a video (maximum duration 2 minutes) explaining your project following the outline below. Upload your video OR provide a link to your recording.
- 2.) Introduce yourself and project:
 - A. State your first name.
 - B. State your city and country.
 - C. State the name of your project.
- 3.) Explain Your Project:
 - A. INTRODUCTION - What is your research question? (5 points)
 - B. METHODS - Explain the procedures for carrying out your project in detail. (5 points)
 - C. RESULTS - What were the result(s) of your project? (5 points)
 - D. DISCUSSION - What is your interpretation of these results? (10 points)
 - E. CONCLUSIONS - What conclusions did you reach? How will your project help others? (10 points)
 - F. CREATIVITY - Project demonstrates significant creativity in one or more of the above criteria. (5 points)

4.) Best Practices for Filming:

- A.** Please speak in English or provide English subtitles.
- B.** Film yourself in a well-lit and non-distracting environment.
- C.** Keep the camera still and in place during filming.
- D.** Speak clearly and loudly enough that the recording can pick up every word you say.
- E.** Avoid long pauses.
- F.** Listen to your video after recording to ensure your voice is clear, audible, and that the video has not picked up too much background noise.
